Re: United States v. John Geraci 18-CR-00715

Dear: Judge Nathan

We file this letter to respectfully request a thirty-one day continuance of the September 4, 2020, surrender date for Mr. John Geraci to October 5, 2020, to allow Mr. Geraci to schedule and undergo an MRI brain scan. This Court previously granted a continuance of Mr. Geraci's surrender date from March 23, 2020, to May 1, 2020, from May 1, 2020, to July 1, 2020, from July 1, 2020, to September 1, 2020, and from September 1, 2020, to September 4, 2020. See Dkt. Nos. 78, 80, 82, 84.

As discussed in our August 31, 2020 letter (Dkt. 83) Mr. Geraci was released from the hospital on August 30, with orders to see a neurology specialist as soon as possible for further diagnoses and treatment. On September 3, Mr. Geraci was given an order to get an MRI brain scan without contrast for diagnostic purposes. (*See Ex. A*). However, the referring physician was not able to conduct the test at that time. Instead, Mr. Geraci was instructed to schedule a later appointment to have the test. There were no appointments available for Mr. Geraci to have this test prior to his September 4, 2020, surrender date.

For the above-stated reasons, Counsel for Mr. Geraci respectfully requests a continuation of Mr. Geraci's surrender date from September 4, 2020 to October 5, 2020.

Defendant's request to continue his surrender date to October 5, 2020, is GRANTED. The Court will not entertain any further requests for continuance unless such request is made at least 48 hours prior to Defendant's surrender date and indicates the Government's position on the request. SO ORDERED.

Sincerely,  
Marissa E. Miller
